SHERIFF'S OFFICE CADET POSITION OVERVIEW

A Sheriff's Office Cadet will be a part-time and non-represented employee of the Eaton County Sheriff's Office. The intent of their employment is to gain valuable knowledge and experience, while working toward becoming a fully sworn Deputy of the Sheriff's Office upon completion of a Michigan Commission on Law Enforcement Standards (MCOLES) recognized police academy program. The Sheriff's Office proposes a maximum of six (6) cadets in the program at any one time. To be eligible for hire, Cadets must be a high school graduate, a minimum of 17 years old, and currently enrolled in college courses on at least a part-time basis; If not enrolled in college courses, candidates must be transitioning to a mutually agreed upon police academy program, and have received a passing score on the MCOLES Reading/Writing exam, and physical agility examination. When transitioning to a police academy and not currently enrolled in college courses, hiring conditions must be mutually agreed upon by the Sheriff and the Cadet candidate.

As determined by the Sheriff or his designee, approved Cadets may be sponsored to attend the Mid-Michigan Police Academy, or similar approved academy, once they have met the established MCOLES minimum eligibility requirements. Cadets will earn a part-time hourly wage (\$15.00/hr.) as determined by the Board of Commissioners until entering a police academy. While enrolled and participating in a police academy, Cadets will receive full-time wage (\$17.50/hr.) and benefits as directed by the Board of Commissioners. For any Cadet, failure to successfully complete or enter the agreed upon police academy and/or failure to attain a passing score on the MCOLES licensing exam, will result in employment separation from the Sheriff's Office, and requirement to re-pay the County its investment (i.e., the academy tuition cost).

Prior to attending a Police Academy as an employed recruit, Cadets are responsible for performing a variety of tasks while assisting the Field, Administrative, and Corrections Division's. Cadets do not fill the role of a fully sworn Deputy or Corrections Deputy, and the tasks Cadets are assigned will be non-enforcement, and non-emergency related. Their

assistance with these tasks will be aimed toward the Cadets receiving hands on experience to better prepare them for a Police Academy program, and to assist them in their goal of becoming an Eaton County Sheriff's Deputy.

EXAMPLES OF TASKS/FUNCTIONS:

- Perform tasks which assist in training, public relations, and/or recruiting, being hosted/conducted by Sheriff's Office.
- Attend and successfully complete trainings as assigned by the Sheriff or his designee.
- Perform other non-enforcement/emergency related duties as directed by a higher authority.

Congratulations to Director Kelley Cunningham on achieving the Michigan Professional Emergency Manager (PEM) designation!

**Eaton County 9-1-1 Director
Kelley Cunningham**

The Michigan PEM Program provides the knowledge and skills for Emergency Managers in the state to effectively prevent, protect against, respond to, recover from, and mitigate the effects of disasters in their community. The PEM program requires 150 hours of coursework and study, followed by an exam.

We have many emergency managers in specific disciplines across Eaton County with community partners such as fire departments, Emergency Medical Services (EMS), law enforcement, public works, public health, and more. We encourage all of these partners to pursue the PEM Designation as a way to enhance their knowledge, skills, and abilities in disaster response.
